Clin Psychopharmacol Neurosci 2015;13(1):68–82

In the published article “Vijayakumari AA, *et al.* Effect of polymorphisms of three genes mediating monoamine signaling on brain morphometry in schizophrenia and healthy subjects. *Clin Psychopharmacol Neurosci* 2015;13(1):68-82. <http://dx.doi.org/10.9758/cpn.2015.13.1.68>”, the data in Fig. 1A and Fig. 2A was given incorrectly. The Editorial Office of *Clin Psychopharmacol Neurosci* would like to correct the typographic errors as bellow. We apologizes for any inconvenience that it may have caused.

1. The extent threshold k value given in SPMresults of Fig. 1A is erroneously given as k=20; instead it should read as k=793 voxels as mentioned in the table legend.
2. The extent threshold k value given in SPMresults of Fig. 2A is erroneously given as k=20; instead it should read as k=988 voxels as mentioned in the table legend.

Before correction:
