“The sponge microbiome project” Lucas Moitinho-Silva et al. *GigaScience*, 6, 2017; doi: 10.1093/gigascience/gix077.

A formula was incorrect upon initial publication. The formula “p-value = binomial.cdf (T(v)-Kv(s), T(v), PNull (s))” should instead be “p-value = binomial.cdf (T(v)-Kv(s), T(v), 1-PNull (s)).”

This has now been corrected.
