In the *Introduction* to our article, we supported a statement about the loss of infectivity of sporozoites following *in vitro* incubation with an inappropriate citation: Vanderberg, J.P. (1975) Development of infectivity by the *Plasmodium berghei* sporozoite. *J Parasitol* **61**: 43–50. The correct citation that should be quoted is Vanderberg, J.P. (1974). Studies on the motility of *Plasmodium* sporozoites. *J Protozool* **21**: 527–537.
