

CORRIGENDUM

In the recent article by Schmidt et al. (2020), the authors inadvertently neglected to acknowledge Daniel Beck, Joey Chase, and J. D. Brooks (Central Washington University), who contributed samples that were invaluable to this study. The updated Acknowledgements section is as follows:

ACKNOWLEDGMENTS

Jeff Brown, Kyle Horner, Owain M. McKibbin, and Christine Bishop (Environment and Climate Change Canada), Orville Dyer (BC Ministry of Environment and Climate Change Strategy), Jared Hobbs (Hemmera), Lindsay Anderson, Robyn Reudink (BC Ministry of Forests, Lands, Natural Resource Operations & Rural Development), John Rohrer (US Forest Service), Daniel Beck, Joey Chase, and J. D. Brooks (Central Washington University), Mike Dunn (Okanagan Nation Alliance), Stephanie Winton, Jared Maida, Jenny Petersen, Alycia Aird (Thompson Rivers University), JoAnne Hales (Tk'emlúps te Secwépemc), and Brodie Rundel (BC Parks) collected DNA samples that made this study possible. Bryson Sjodin, Luke Elliott, Brett Ford, and Kristine Teichman (UBC), and Shawn Klassen (BC Parks) provided valuable assistance in the field. Funding for this work was provided by the Habitat Conservation Trust Foundation (KL, MR, PG), the Interdepartmental Recovery Fund (KL), and the Natural Sciences and Engineering Research Council of Canada (NSERC) Discovery grant # 341711 (MR).
