Cost-effectiveness of tailored print communication, telephone motivational interviewing, and a combination of the two: results of an economic evaluation alongside the Vitalum randomized controlled trial

Hilde M van Keulen^{1*}, Judith E Bosmans², Maurits W van Tulder², Johan L Severens³, Hein de Vries¹, Johannes Brug⁴, Ilse Mesters⁵

Correction

Since publication of our article [1], we have realized that Figure two (Figure 1): “Cost-effectiveness acceptability

curve of difference in total number of guidelines met”, is incorrect. The original text referring to the figure as well as the figure legend is correct. The correct Figure two
