(Molecular Therapy: Nucleic Acids 19, 827–840; March 2020)

This article has been retracted at the request of the editors of *Molecular Therapy – Nucleic Acids*.

During an investigation, evidence for image duplication in identical or altered fashion in Figure 5A was identified. This reuse (and in part, misrepresentation) of data without appropriate attribution represents a severe abuse of the scientific publishing system. The authors do not agree to the retraction.
