

CORRECTION

Correction: Crystal Structure of Human Myotubularin-Related Protein 1 Provides Insight into the Structural Basis of Substrate Specificity

Seoung Min Bong, Kka-bi Son, Seung-Won Yang, Jae-Won Park, Jea-Won Cho, Kyung-Tae Kim, Hackyoung Kim, Seung Jun Kim, Young Jun Kim, Byung Il Lee

There is an error in the second sentence of the “Purification, crystallization, and X-ray analysis” section of the Materials and Methods. The correct sentence is: Briefly, the MTMR1 gene (residues 95–608, C438S mutant) was inserted into a modified pET28 vector (Novagen) using the NdeI/XhoI restriction enzyme sites.
