

Erratum to: Environmental and sex-specific molecular signatures of glioma causation

This is an erratum to: Elizabeth B Claus, Vincent L Cannataro, Stephen G Gaffney, Jeffrey P Townsend, Environmental and sex-specific molecular signatures of glioma causation, Neuro-Oncology, Volume 24, Issue 1, January 2022, Pages 29–36, <https://doi.org/10.1093/neuonc/noab103>

In the originally published version of this manuscript, Figures 1 and 4 contained errors.

In Figure 1, axis label “male” was omitted in the second column.

In Figure 4, panel B was labeled “IDH mutant, Female”, instead of “IDH mutant, Male”.

These errors have now been corrected online.
