## A corrigendum on

### Characterization of Reproductive Dormancy in Male *Drosophila melanogaster*

by Kubrak, O. I., Kučerová, L., Theopold, U., Nylin, S., and Nässel, D. R. (2016). *Front. Physiol.* 7:572. doi: 10.3389/fphys.2016.00572

It has been noted that several of the citations in this paper are incorrect. These are on pages 4–5 in the sections “Dormancy Affects Reproductive Organs and Spermatogenesis” and “Mating and Fecundity Is Diminished in Dormant Flies.” Thus, the correct citations are not in the publication list of the published paper, but are listed below. This error was caused by a problem with introduction of citations from multiple bibliography libraries.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way.
