

Corrigendum

Treatment with cyclophosphamide i.v. pulse therapy is an option for effective treatment of skin fibrosis in patients with early systemic sclerosis**Brigit E. Kersten¹, Nathan den Broeder², Frank H. J. van den Hoogen¹, Hanneke A. K. Knaapen-Hans¹, Cornelia H. M. van den Ende¹ and Madelon C. Vonk¹**Rheumatology 2020;59:1550–5.
doi:10.1093/rheumatology/kez487

In the original article, there was an error in Fig. 1. DcSSc and LcSSc were exchanged. This has now been corrected online.
