Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-020-15648-4>, published online 20 April 2020

The original version of this Article contained errors in the author affiliations.

Affiliation 1 incorrectly read 'Interdisciplinary Institute for Neuroscience, University of Bordeaux, Bordeaux, France' instead of the correct 'University of Bordeaux, Bordeaux, France'.

The affiliation of Misa Arizono with NeuroCentre Magendie, Inserm U1215, Bordeaux France, was inadvertently omitted.

These errors have now been corrected in both the PDF and HTML versions of the Article.
