Received: 9 October 2020; Accepted: 15 October 2020; Published: 19 October 2020

The authors wish to make the following correction to this paper [1]: In the experimental part, Section 2.4. Electrospinning of Nanofibers, the units of flow rate were 0.5 mL/h, but it was mistakenly written as 0.5 mL/min. The corresponding sentence has now been corrected in this erratum.

“Solutions were pumped through the syringe at a flow rate of 0.5 mL/h and the rotating speed of the collector was fixed at 1000 rpm.”

The authors would like to apologize for any inconvenience caused to the readers by this change.

Conflicts of Interest: The authors declare no conflict of interest.
