Correction to: Scientific Reports https://doi.org/10.1038/s41598-019-54747-1, published online 03 December 2019

The original PDF version of this Article contained an error in the Abstract.

"Toma to spotted wilt virus (TSWV) is a devastating disease to peanut growers in the South-eastern region of the United States."

now reads:

"Tomato spotted wilt virus (TSWV) is a devastating disease to peanut growers in the South-eastern region of the United States."

This error has now been corrected in the PDF version of the Article. The HTML version was correct at time of publication.
