

Corrigendum to: Towards a cancer mission in Horizon Europe: recommendations

The authors of “Towards a cancer mission in Horizon Europe: recommendations” (Mol. Oncol. 2020 Aug; 14(8): 1589-1615. PMID: 32749074) [1], have decided to update Fig. 4 and the related legend, to clarify that it visualizes information about the distribution and numbers of ERN PaedCan network, using as vector image a product of artwork, and not a political map. This change does not affect any discussion, or conclusions made in the article.

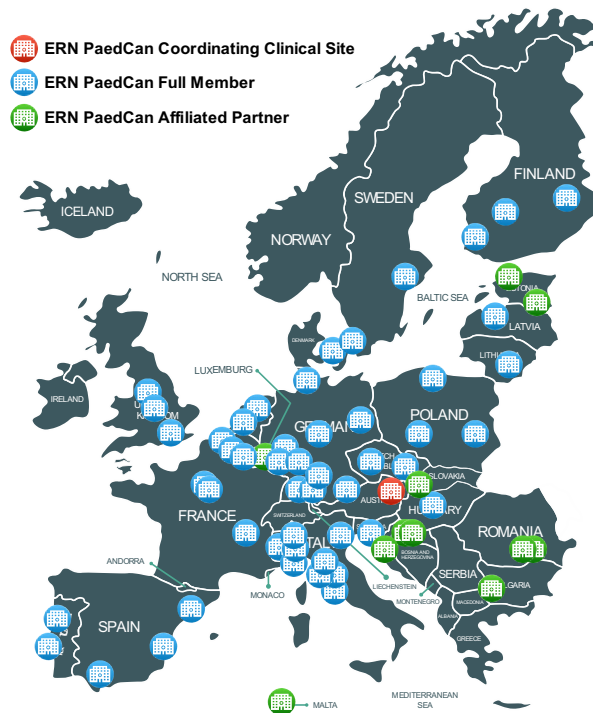

Fig. 4. Distribution of members of the ERN PaedCan network for pediatric cancer. Information is visualized as an illustration and not as a political map.
