Biomarkers for REM sleep behavior disorder in idiopathic and narcoleptic patients

In Antelmi et al.,¹ an error occurred in the affiliation of the third author, Vincenzo Donadio. In the published version, he is affiliated with ‘¹Department of Biomedical and Neuromotor Sciences, Alma Mater Studiorum, University of Bologna, Bologna, Italy’ and ‘²IRCCS Istituto delle Scienze Neurologiche di Bologna, Bologna, Italy’ which is incorrect. Vincenzo is affiliated to the second affiliation only, hence the link to the first affiliation should be removed beside his name.

The authors apologize for this error.
