(Molecular Therapy: Nucleic Acids 20, 164–175; June 2020)

In the originally published version of this article, the authors accidentally reversed the values for tumor weight in the bar graph for KB cells transfected with sh-NC or sh-CTCF in Figure 6F. The correct version of the graph is shown below. The authors regret this error.

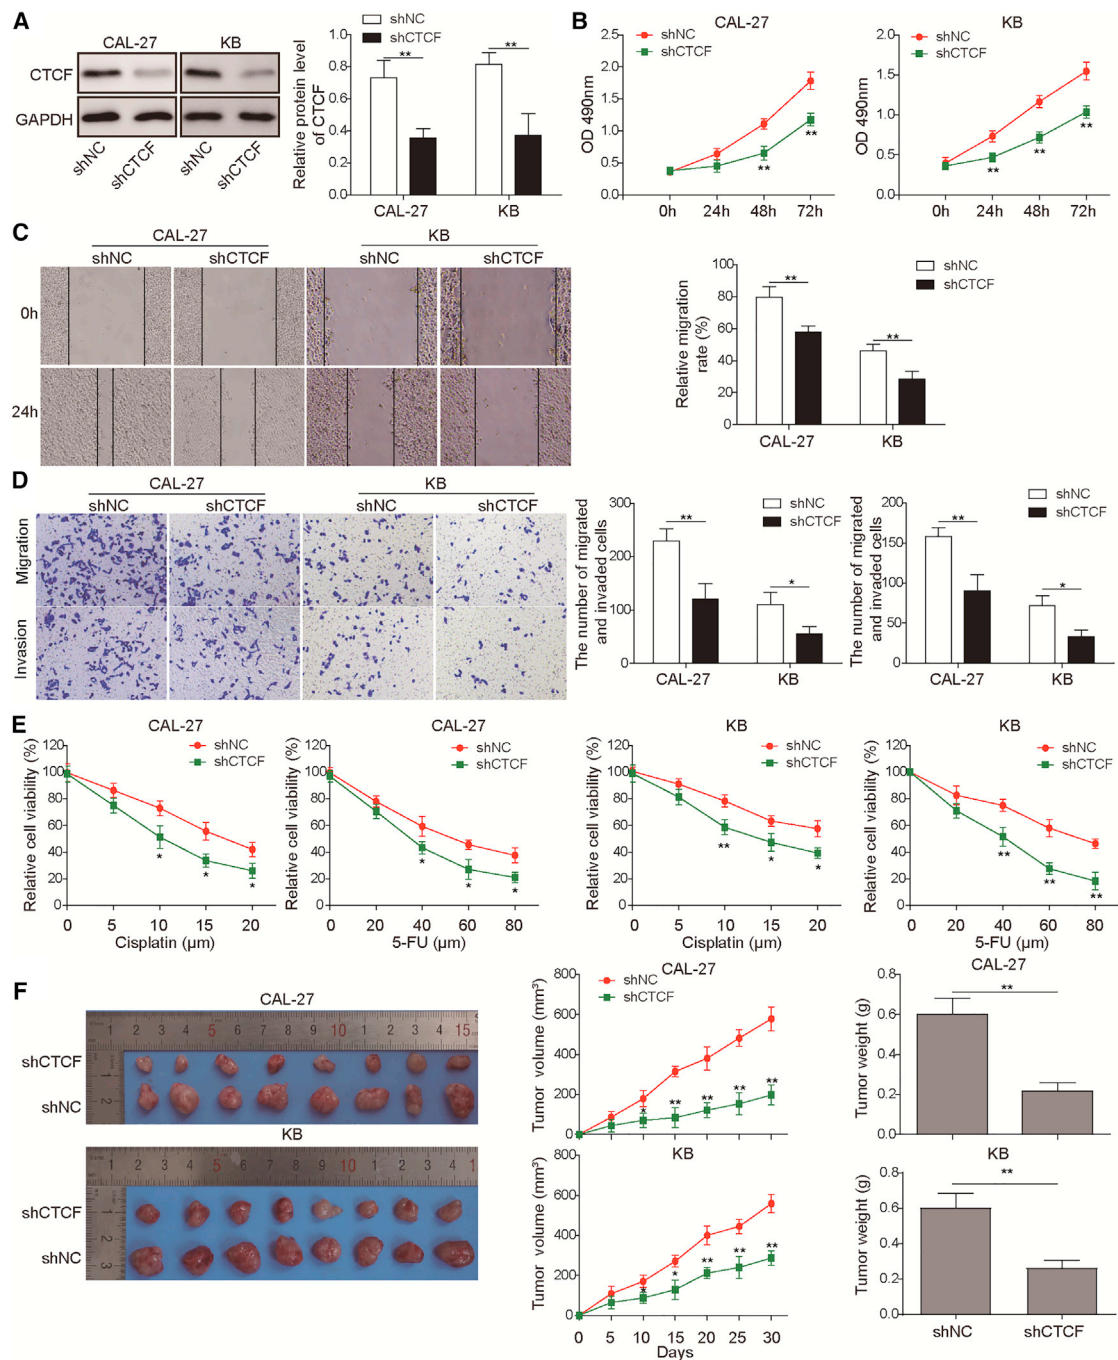

Figure 6. Knockdown of CTCF Inhibits Cell Proliferation, Migration, Invasion, and Chemoresistance in CAL-27 and KB Cells (corrected)
