In the published article, there was an error in affiliations 1 and 2 as published. The order of the affiliations was incorrect. Instead of “¹Graduate School of Education, University of Perpetual Help System DALTA, Las Piñas, Philippines” it should be “¹School of Foreign Languages, Zhejiang Gongshang University, Hangzhou, China” and instead of “²School of Foreign Languages, Zhejiang Gongshang University, Hangzhou, China” it should be “²Graduate School of Education, University of Perpetual Help System DALTA, Metro Manila, Philippines.” The city “Las Piñas” has also been amended to be “Metro Manila”.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
