Correction

Following the publication of the article [1], we noticed that the Competing interests section was incomplete and should read as follows:

BD is President of ACTIF (*Alliance Contre le Tabac en Île-de-France*), a non-profit association which promotes smoking prevention and provided funding for this study. BD's involvement with the ACTIF is on a voluntary basis and he does not receive any financial compensation for his work. He was responsible for decisions to partially fund this study.

Competing interests

The authors declare that they have no competing interests.
