**Correction to: *Theor Biol Med Model* (2021) 18:4**  
<https://doi.org/10.1186/s12976-020-00135-6>

Following publication of the original article [1], we were notified of a few mismatches between the confirmed figures and tables and the final published versions:

- Additional squares were incorrectly added after the letters in figure 1a
- The points in the graphs of figure 1C and 3B had incorrectly been deleted
- The display of IC\_com\_50 in the first row of Tables 2 and 3 was not bold

The original paper has been corrected.
