Correction to: *Cell Death and Disease*
<https://doi.org/10.1038/s41419-020-03210-5>
published online 21 November 2020

The original version of this article unfortunately contained a mistake. In the original publication, Supplementary Tables 1 and 2 were not the final version. This was a mistake made by the authors during the

submission. This error does not affect any of the findings reported in the paper. The final version of Supplementary Tables 1 and 2 are now provided. The authors apologize for any confusion that this error may have caused. The original article has been corrected.
