Full list of author information is  
available at the end of the article

## Erratum

Unfortunately, after publication of this article [1], it was noticed that the ‘Statistical analysis’ section contained an error. The first sentence should read, “All data are expressed as median (IQ range)” to remain congruous with data displayed in tables. The original article has been updated to reflect this.

## Author details

<sup>1</sup>Klinik für Anästhesiologie, Universitätsklinik Ulm, Ulm, Germany. <sup>2</sup>Institut für Anästhesiologische Pathophysiologie und Verfahrensentwicklung, Universitätsklinik Ulm, Helmholtzstraße 8/1, Ulm 89081, Germany. <sup>3</sup>Department of Surgical Sciences and Integrated Diagnostics, IRCCS San Martino IST, University of Genova, Genova, Italy. <sup>4</sup>Klinik für Unfall-, Hand-, Plastische- und Wiederherstellungschirurgie, Universitätsklinik Ulm, Ulm, Germany.
