Correction to: *Cell Death and Disease* https://doi.org/10.1038/ s41419-021-03662-3, published online 08 April 2021

The original version of this article unfortunately contained an error. For Figure 2I, the authors accidentally misplaced the image derived from Immunohistochemistry assays of anti-CC3 in Vec group during the last typesetting process (CDDIS-20-4660R), as inadvertent duplication the image of the WT+ shp63 group. The correct figure can be found below. The authors apologize for the error. The original article has been corrected.
