## ERRATUM

It has been brought to the publisher's attention that the name of author R. Cristiani was published incorrectly in the above article in the journal *Joints*, Volume 5, Number 3, 2017 (DOI: 10.1055/s-0037-1605583). The author's name was originally published as "R. Crisitiani." The correct listing of the author's name appears above.
