ERRATUM

It has been brought to the publisher's attention that the name of author R. Cristiani was published incorrectly in the above article in the journal Joints, Volume 5, Number 3, 2017 (DOI: 10.1055/s-0037-1605583). The author's name was originally published as "R. Crisitiani." The correct listing of the author's name appears above.
