

# Erratum

**Erratum. Metabolomic Profile of Low-Copy Number Carriers at the Salivary  $\alpha$ -Amylase Gene Suggests a Metabolic Shift Toward Lipid-Based Energy Production. *Diabetes* 2016;65:3362–3368**

DOI: 10.2337/db17-er04a

In the article listed above, reference 1 was erroneously cited as “Villa R, Mandel AL, Jones BD, La Clair JJ, Burkart MD. Structure of FD-895 revealed through total synthesis. *Org Lett* 2012;14:5396–5399.” It should have been cited as “Mandel AL, Breslin PA. High endogenous salivary amylase activity is associated with improved glycemic homeostasis following starch ingestion in adults. *J Nutr* 2012;142:853–858,” which was listed as reference 18.

The online version has been updated to correct this error.
