

Corrigendum

Corrigendum to “Antidiabetic Properties, Bioactive Constituents, and Other Therapeutic Effects of *Scoparia dulcis*”

Evidence-Based Complementary and Alternative Medicine

Received 18 April 2017; Accepted 19 June 2017; Published 20 July 2017

Copyright © 2017 Evidence-Based Complementary and Alternative Medicine. This is an open access article distributed under the Creative Commons Attribution License, which permits unrestricted use, distribution, and reproduction in any medium, provided the original work is properly cited.

The article titled “Antidiabetic Properties, Bioactive Constituents, and Other Therapeutic Effects of *Scoparia dulcis*” [1] was found to contain some material from the following published articles:

- (i) Paragraph 1: Reuters 2016 [2], uncited and not quoted
- (ii) Paragraph 2: Li et al., *Journal of Ethnopharmacology* 2004 [3], uncited and not quoted
- (iii) Section 3.2.1: Lee et al., *Journal of Agricultural and Food Chemistry* 2010 [4], and Liu et al., *Journal of Agricultural and Food Chemistry* 2011 [5], uncited and not quoted
- (iv) Section 3.2.3: references 55 and 56, cited but not quoted
- (v) Section 4.2: attributed to reference 65 not reference 71, not quoted
- (vi) Section 4.3: reference 76, cited but not quoted
- (vii) Section 5.6: attributed to references 79–81 not reference 78, not quoted

The authors Geethi Pamunuwa and D. Nedra Karunaratne say they were unaware of the reuse and agree with publishing this corrigendum; the corresponding author Viduranga Waisundara does not agree.
