

Erratum to “Bull fertility and semen quality are not correlated with dairy and production traits in Brown Swiss cattle” (JDS Commun. 3:120–125)

Xena Marie Mapel, Maya Hiltbold, Naveen Kumar Kadri, Ulrich Witschi, and Hubert Pausch

The animal ethics statement was missing from this paper. The following statement should have been included: **We used animal data that were routinely collected for other purposes, such as genetic evaluation, and ethical approval for the use of animals was thus deemed unnecessary.**
