

CORRECTION

Correction: Modeling multi-sensory feedback control of zebrafish in a flow

Daniel A. Burbano-L., Maurizio Porfiri

Notice of republication

This article was republished on May 9th, 2022, to correct a calibration error affecting data reported in Table 1, Figs. 1, 4, 5, 6, 7, S1 and S2, and S1 Data set. This error does not have consequences for the validity of the model, nor the statistical analysis in the original submission. Please download the article again to view the correct version. The originally published, uncorrected article and the republished, corrected article are provided here for reference.
