

CORRECTION

Correction: Specific post-translational histone modifications of neutrophil extracellular traps as immunogens and potential targets of lupus autoantibodies

Chih L Liu^{1,4}, Stephanie Tangsombatvisit¹, Jacob M Rosenberg¹, Gil Mandelbaum¹, Emily C Gillespie², Or P Gozani⁴, Ash A Alizadeh^{3*} and Paul J Utz^{1*}

See related research by Liu *et al.*, <http://arthritis-research.com/content/14/1/R25>

Correction

After publication of our recent article [1], it has been brought to our attention that the incorrect wording was used to acknowledge our EU funding source. The correct statement should read:

“The research leading to these results has received funding from the European Union Seventh Framework Programme (FP7/2007-2013) under grant agreement n° 261382.”
