Following publication of the original article [1], the authors identified an error in Fig. 2. The error was that Figs. 2 and 3 were both displaying the same figure. The correct Fig. 2 is given hereafter.

All the changes that were requested are implemented in this correction and the original article [1] has been corrected.

The original article can be found online at <https://doi.org/10.1186/s13054-020-02861-2>.
