

Corrigendum

Corrigendum to: Antibody status and cumulative incidence of SARS-CoV-2 infection among adults in three regions of France following the first lockdown and associated risk factors: a multicohort study

Fabrice Carrat  , Xavier de Lamballerie, Delphine Rahib, H el ene Blanch e, Nathanael Lapidus, Fanny Artaud, Sofiane Kab, Adeline Renuy, Fabien Szabo de Edelenyi, Laurence Meyer, Nathalie Lydi e, Marie-Aline Charles  , Pierre-Yves Ancel, Florence Jusot, Alexandra Rouquette, St ephane Priet, Paola Mariela Saba Villarroel, Toscane Fouri e, Clovis Lusivika-Nzinga, J er ome Nicol, Stephane Legot, Nathalie Druesne-Pecollo, Younes Esseddik, Cindy Lai, Jean-Marie Gagliolo, Jean-Fran ois Deleuze, Nathalie Bajos, Gianluca Severi, Mathilde Touvier and Marie Zins for the SAPRIS and SAPRIS-SERO study groups

First published online: 23 July 2021, *Int J Epidemiol* 2021; doi: 10.1093/ije/dyab110

In the originally published version of this manuscript, there was an error in the final sentence of the results section.

The passage should read: "...and was lower in smokers compared with non-smokers [OR = 0.71 (95% CI: 0.57,

0.89)]" instead of "...and was lower in smokers compared with non-smokers [OR = 0.71 (95% CI: 0.57, 0.49)]."

This error has been corrected online and in print.
