## Author Correction: The influence of human genetic variation on Epstein–Barr virus sequence diversity

Sina Rüeger, Christian Hammer, Alexis Loetscher, Paul J. McLaren, Dylan Lawless, Olivier Naret, Nina Khanna, Enos Bernasconi, Matthias Cavassini, Huldrych F. Günthard, Christian R. Kahlert, Andri Rauch, Daniel P. Depledge, Sofia Morfopoulou, Judith Breuer, Evgeny Zdobnov, Jacques Fellay & the Swiss HIV Cohort Study\*

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-021-84070-7>, Published online 25 February 2021

Nina Khanna, Enos Bernasconi, Matthias Cavassini, Huldrych F. Günthard, Christian R. Kahlert and Andri Rauch were omitted from the author list in the original version of this Article.

The Author contributions section now reads:

"E.Z. and J.F. conceived and supervised the work. S.R. and C.H. performed the association analyses. D.P.D., S.M. and J.B. performed EBV sequencing and curated the data. A.L. prepared and analysed the viral sequencing data. P.J.M., D.L. and O.N. contributed to the design of the work. N.K, E.B., M.C., H.F.G., C.R.K. and A.R. recruited the study participants and collected the samples and associated data. S.R., C.H., A.L. and J.F. wrote the paper. All authors reviewed the manuscript and approved the submission."

Furthermore, the original version of this Article contained typographical errors in the spelling of Huldrych F. Günthard and Christian R. Kahlert, which were incorrectly given as Huldrych Günthard and Christian Kahlert respectively.

This has been corrected in the PDF and HTML versions of the Article, and in the accompanying Supplementary Information file.
