Correction to: A meta-analysis of the relationship between vaginal microecology, human papillomavirus infection and cervical intraepithelial neoplasia

Yuejuan Liang, Mengjie Chen, Lu Qin, Bing Wan and He Wang*

Correction to: *Infect Agents Cancer* (2019) 14: 29
<https://doi.org/10.1186/s13027-019-0243-8>

In the original publication of this article [1] there was an error in the results section of the article.

The result section showed the following:

- The total results based on all eight studies (OR 2.62, 95% CI 1.84–3.73, $P < 0.05$) were statistically significant (Fig. 1)

However, the correct information is:

- The total results based on all eight studies (**OR 2.57, 95% CI 1.78–3.71**, $P < 0.05$) were statistically significant (Fig. 1)

The updated information is shown in bold. The correct information is already available in Fig. 1 of the original publication.

Published online: 09 December 2019
