

## CORRECTION

# Correction: Overall survival of stage IV non-small cell lung cancer patients treated with *Viscum album* L. in addition to chemotherapy, a real-world observational multicenter analysis

Friedemann Schad, Anja Thronicke, Megan L. Steele, Antje Merkle, Burkhard Matthes, Christian Grah, Harald Matthes

The following information is missing from the Competing Interests statement:

Dr. Harald Matthes is a member of the board of directors at Weleda AG, a company that until 2016 distributed Iscador, a mistletoe preparation. In addition, Dr. Harald Matthes is a member of the board of the Hufelandgesellschaft e. V. in Germany; President of the DAHN (German Academy for Homeopathy and Naturopathy); and medical director and managing director of Gemeinschaftskrankenhaus Havelhöhe, a hospital for anthroposophic medicine. Dr. Harald Matthes is also a recipient on an endowed professorship from Charité in Berlin on Integrative and Anthroposophical Medicine. These competing interests do not alter the authors' adherence to *PLOS ONE* policies on sharing data and materials.
