Author Correction: MRI tractography reveals the human olfactory nerve map connecting the olfactory epithelium and olfactory bulb

Sho Kurihara , Masayoshi Tei, Junichi Hata, Eri Mori, Masato Fujioka, Yoshinori Matsuwaki, Nobuyoshi Otori, Hiromi Kojima & Hirotaka James Okano 

Correction to: *Communications Biology* <https://doi.org/10.1038/s42003-022-03794-y>, published online 6 September 2022.

The original version of this Article contained an error in the Methods subsection, “Ethics”, stating:

“All experimental protocols using human samples in this study were approved by the Ethics Committee of The Jikei University School of Medicine (approval number: 25–180 7315)”.

The “Ethics” subsection should instead state:

“All experimental protocols using human samples in this study were approved by the Ethics Committee of The Jikei University School of Medicine (approval number: 26-001 7506)”.

This error has now been corrected in the PDF and HTML versions of the Article.
