Corrigendum: Dark-field X-ray microscopy for multiscale structural characterization

H. Simons, A. King, W. Ludwig, C. Detlefs, W. Pantleon, S. Schmidt, F. Stöhr, I. Snigireva, A. Snigirev & H.F. Poulsen

Nature Communications 6:6098 doi: 10.1038/ncomms7098 (2015); Published 14 Jan 2015; Updated 5 Mar 2015

The authors inadvertently omitted Frederik Stöhr, who developed the silicon condenser lens used for the acquisition of data presented in this Article, from the author list. This has now been corrected in both the PDF and HTML versions of the Article.
