Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-020-19119-8>, published online 21 October 2020.

The original version of this Article incorrectly attribute the NIH CA193235 grant to the Leukemia and Lymphoma Society. The correct attribution is the National Institute of Health (NIH R01CA193235). In addition, the following was omitted from the Acknowledgements: Cancer Prevention and Research Institute of Texas training grant (RP160283) (to T.H.). These errors have now been corrected in both the PDF and HTML versions of the Article.
