

Interview Guide

Answer these questions based on your experiences in clinical rotations

- 1) What does self-censorship mean to you?
 - a) Can you think of certain situations in which you chose to engage in self-censorship? Can you tell me more about that?
- 2) What does self-disclosure mean to you?
 - a) Can you think of certain situations in which you chose to engage in self disclosure? Can you tell me more about that?
- 3) In your clinical experiences, have you ever had a supervisor or physician mentor with a similar identity to yours?
 - a) Can you describe what that was like for you?
 - b) Can you describe your behavior around this person?
- 4) Is there anything else you would like to share that I haven't already asked about?
