In the originally published version of this article (p.41), the position of author affiliations was incorrect. Out of 15 authors, eight of them derive from ‘Shanghai Key Laboratory of Regulatory Biology, Institute of Molecular Medicine, East China Normal University School of Life Sciences’, which ought to have been listed as the first affiliation. Consequently, ‘State Key Laboratory of Genetic Engineering, School of Life Sciences, Zhong Shan Hospital, Fudan University’ should have been the second affiliation. The correct authors and affiliations should thus be as follows:

Xiangwen Peng^{1,2,†}, Kaa Seng Lai^{2,†}, Peilu She¹, Junsu Kang³, Tingting Wang¹, Guobao Li², Yating Zhou¹, Jianjian Sun¹, Daqing Jin¹, Xiaolei Xu⁴, Lujian Liao¹, Jiandong Liu⁵, Ethan Lee⁶, Kenneth D. Poss³, and Tao P. Zhong^{1,*}
