Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-019-48297-9>, published online 14 August 2019

The original version of this Article did not include evidence of registration in ZooBank within the work itself, as required by Article 8.5.3 of the International Code of Zoological Nomenclature<sup>1</sup>. Therefore, the details of the newly proposed species name *Clevosaurus hadroprodon* and a description of the Nomenclatural Acts were not available at the time of publication.

This published work and the Nomenclatural Acts it contains have been registered in ZooBank with the LSID urn:lsid:zoobank.org:pub:02B4B0AF-B553-410B-94B1-76D7AE277FAE for this publication and urn:lsid:zoobank.org:act:971AD911-D5FB-460B-91AF-25B3D973873E for the species.

The original Article has been corrected.
