

OPEN **Publisher Correction:** The major genetic risk factor for severe COVID-19 does not show any association among South Asian populations

Prajval Pratap Singh, Anshika Srivastava, Gazi Nurun Nahar Sultana, Nargis Khanam, Abhishek Pathak, Prashanth Suravajhala, Royana Singh, Pankaj Shrivastava, George van Driem, Kumarasamy Thangaraj & Gyaneshwer Chaubey

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-021-91711-4>, published online 11 June 2021

In the original version of this Article, Kumarasamy Thangaraj was omitted as a corresponding author. Correspondence and request for materials should also be addressed to thangs@ccmb.res.in. In addition, the email address of the co-corresponding author Gyaneshwer Chaubey was incorrectly given as thangs@ccmb.res.in. Correspondence and request for materials should also be addressed to gyaneshwer.chaubey@bhu.ac.in.

The original Article has been corrected.
