Erratum

Unfortunately, after publication of this article [1], it was noticed that an error in the PDF to an equation was introduced during the production process. On page 8 of the PDF, the equation reads:

$$y_i = s_j + \beta x_i + \S | \left(a_{if} + a_{im}\right) + \varepsilon_i$$

The equation should have read:

$$y_i = s_j + \beta x_i + \frac{1}{2}\left(a_{if} + a_{im}\right) + e_i$$

The original article has been updated to correct this error.
