## Correction to: *BMC Women's Health* (2021) 21:217

<https://doi.org/10.1186/s12905-021-01358-6>

Following the publication of the original article [1], we were notified that few words were not deleted within one revised sentence on page 2, 2nd paragraph:

- “A positive step was recently taken to remove minimize the use of the term “unfounded” from through expanded Canadian crime reporting option statistics”.
- Should read: “A positive step was recently taken to minimize the use of the term “unfounded” through expanded Canadian crime reporting options.”

The original article has been corrected.
