Correction to: *Nature Chemical Biology* <https://doi.org/10.1038/s41589-021-00883-7>, published online 1 November 2021.

In the version of this article initially published, there was a composition error in Fig. 5a where, for the first, fifth and ninth columns correlating to “ T_{ON} Cys” in the key, the pink color dropped out of the columns and top key. The HTML and PDF versions of the article have been corrected online.
