

CORRECTION

Correction: Engraftment of Human Glioblastoma Cells in Immunocompetent Rats through Acquired Immunosuppression

Peter C. Huszthy, Per Ø. Sakariassen, Heidi Espedal, Karl A. Brokstad, Rolf Bjerkvig, Hrvoje Miletic

There is an error in the fifth sentence of the Abstract. The correct sentence is: In contrast, rejection is associated with massive infiltration of the tumor bed by leukocytes, predominantly ED1+ microglia/macrophages, CD4+ T helper cells and CD8+ effector cells, and correlates with elevated serum levels of pro-inflammatory cytokines IL-1 α , IL-18 and TNF- α .
