Low back pain in junior Australian Rules football: a cross-sectional survey of elite juniors, non-elite juniors and non-football playing controls

Wayne Hoskins^{1*}, Henry Pollard¹, Chris Daff², Andrew Odell³, Peter Garbutt⁴, Andrew McHardy¹, Kate Hardy¹ and George Dragasevic¹

The journal has been informed by the authors' institution that, contrary to the statement in this article [1], the Macquarie University Human Ethics Committee did not receive an application for ethics approval for this study. As the study was conducted without institutional ethics committee oversight, this article has been retracted.
