Correction to: *EMBO Mol Med* (2019) 11: e10638. DOI 10.15252/emmm.201910638 | Published online 28 October 2019

The authors became aware that the representative Ki67-staining image of the ipatasertib tumor had been displayed twice in the figure set. The authors state that the image displayed in Figure 5G was

incorrect and that this correction does not affect the description, interpretation, or conclusions of the manuscript. The authors apologize for this error and any confusion it may have caused.
