Publisher Correction: A TonB-dependent receptor constitutes the outer membrane transport system for a lignin-derived aromatic compound

Masaya Fujita , Kosuke Mori, Hirofumi Hara, Shojiro Hishiyama, Naofumi Kamimura  & Eiji Masai 

Correction to: *Communications Biology* <https://doi.org/10.1038/s42003-019-0676-z>, published online 22 November 2019.

In the original published version of the article, a correction to Figure 2c was not carried out prior to publication. All samples were incorrectly labelled as having been treated with 1 mM DDVA. The leftmost lane for SYK-6, $\Delta ddvT$ and $\Delta ddvR$ samples shown in the blot should have been marked as untreated. The error has been corrected in the HTML and PDF versions of the article.
