Following publication of the original article [1], the authors requested to update a link in the article. There was a server update and the hosted applications needed to move to a new web location. The link of CompNet above published paper has changed and therefore needs to be updated in the BMC site.

The links that needs to be updated can be find at the Conclusions section of Abstract and other under Project home page at the bottom.

Old link (s):

<http://metagenomics.atc.tcs.com/compnet/> or
