Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-020-58737-6>, published online 07 February 2020

The original version of this Article contained a typographical error in the Abstract.

“We identified 27 hits that were ranked using a using an algorithm that we designed for hit prioritization that we call Hit to Lead Prioritization Score (H2LPS).”

now reads:

“We identified 27 hits that were ranked using an algorithm that we designed for hit prioritization that we call Hit to Lead Prioritization Score (H2LPS).”

This has now been corrected in the PDF and HTML versions of the Article.
